10- Qualifying Practice

One 10 minute session per series is provided for every category.

Drivers who have passed Scrutineering are divided into two series or three if possible, by drawing lots in the presence of at least one Steward. Each series will comprise a maximum number of **36** Drivers. During each session, Drivers will take the start when they choose. Any Driver having crossed the line drawn at the exit of the start area will be considered as having started, and his lap time will be taken into account, whatever the circumstances. Any lap fully covered is counted. The time retained is that of the best lap covered during the session. Any ex-aequo will be decided by the 2nd best time set by each Driver, and so on in the case of further ex-aequo.

The final classification of Qualifying Practice will be drawn up as follows :

- If there is only one series the grid will be drawn up in the order of the fastest time achieved by each Driver.
- If there are two or more series the ranking will be drawn up from the time obtained by every driver inside his series and the drivers will be divided up into different groups according to the placement achieved in the series they belong to and the classification will be determined: 1st place goes to the fastest time of the 1st series (fastest time overall), 2nd place to the fastest time of the 2nd series, 3rd place to the 2nd fastest of the 1st series, 4th place to the 2nd fastest time of the 2nd series, 5th place to the 3rd fastest time of the 1st series, and so on.

If no time is taken into account for a Driver, he shall take the start at the end of the grid. If several Drivers are in that situation, their starting positions shall be decided by drawing lots. Mechanics are not allowed to help Drivers once they have crossed the line drawn at the exit of the start area. If a Driver stops in the Repairs Area or in the Servicing Park, it will be final. He/she will not be allowed to restart.

11 Qualifying Heats (OK - OKJunior - KZ2 Km.15 – 60 Mini Km.10)

a) 34 or less Verified Drivers

Drivers will run three Qualifying Heats. The starting grid of the first heat is decided out of the official Qualifying Practice. The starting grid of the second heat is decided out of the classification of the first heat. The starting grid of the third heat is decided out of the classification of the second heat.

For each heat, for which Drivers will be classified according to the number of laps run, the following penalties will be applicable:

0 to 1st classified

2 to 2nd classified

3 al 3rd classified

And so on.

Any Driver who has not covered all the laps scheduled, even if he has not finished the Qualifying Heat, will be classified according to the number of laps he has actually completed.

If a Driver does not take the start in a Qualifying Heat, he will receive a number of penalties equal to the number of participants, plus 1.

If a Driver has been black-flagged or excluded, he will receive a number of penalties equal to the number of participants, plus 2.

Possible ex-aequo between two or several Drivers will be settled according to their classification in Qualifying Practice. **At the end of the Qualifying Heats, the 34 classified Drivers will be qualified for the PREFINAL.**

b) 35 or more Verified Drivers

After Qualifying Practice, Drivers must be divided in groups (A, B, C, etc.) taking into consideration track capacity and number of participants (the maximum number of Drivers per group is 18). Drivers are assigned a group based on Qualifying Practice: for example, if there are 4 groups the first classified in Qualifying Practice is assigned to group A, the second to group B, the third to group C, the fourth to group D, the fifth to group A, the sixth to group B, the seventh to group C, etc. Each group must compete with all groups, one by one. In case of 4 groups the Qualifying Heats are as follows:

1st - A with B 4th - D with B

2nd - C with D 5th - D with A

3rd - C with B 6th - C with A

The starting grid for each Qualifying Heat is always determined by the rankings of Qualifying Practice.

The following penalties will be assigned according to the arrival order of each heat:

0 for 1st place; 2 for 2nd place; 3 for 3rd place and so on, adding one penalty point for each additional place.

If a Driver does not take the start in a Qualifying Heat, he will receive a number of points equal to the number of participants of groups A and B plus 1 (A+B+1).

If a Driver has been black-flagged or excluded, he will receive a number of points equal to the number of participants of groups A and B plus 2 (A+B+2).

Any Driver who has not covered all the laps scheduled, even if he has not finished the Qualifying Heat, will be classified according to the number of laps he has actually completed.

At the end of the qualifying heats it will be drawn up a ranking adding up all the penalties given to every driver, in case of ex-aequo between two or more drivers, their position in the Qualifying practice will be taken into account, in case of more ex-aequo the best time in the Qualifying practice will be taken into account.

The first 68 qualified drivers after the qualifying heats are eligible to go to the PREFINAL A and B. In case of ex-aequo between two or more drivers, their position in the Qualifying practice will be taken into account, in case of more ex-aequo the best time in the Qualifying practice will be taken into account.

The classified drivers will be so distributed, the first classified Driver takes the start into PREFINAL A, the second into PREFINAL B, the third into PREFINAL A, the fourth into PREFINAL B, the fifth into PREFINAL A, the sixth into PREFINAL B, and so on.

After the PREFINAL, the first 17 classified Drivers from PREFINAL A along with the first 17 classified Drivers from PREFINAL B are qualified for the FINAL.

12 – Final Phase.

PREFINAL (OK, OKJunior, KZ2 Km.20 – 60 Mini Km.12)

The starting grid of PREFINAL is defined by the classification of the Qualifying Heats.

FINAL (OK, KZ2 Km.25 – OKJunior Km.20 – 60 Mini Km.12)

The starting grid of the FINAL is defined by the arrival classification of the PREFINAL, in case of two PREFINALS the Pole Position is of the first qualified driver in the fastest PREFINAL. Drivers who did not take the start of PREFINAL or were excluded from it will occupy the last positions on the grid of the FINAL.
