RACE

Art.2.19 Starting Grid – FIA Karting -General Prescriptions 2024

9b) If a Driver starts from the "Repair Area" after the intervention of a Mechanic, and If the Race Director believes no sufficient time to join the formation is available prior to the start being given, he will be authorized to do so only on the orders of the Race Director, and he will take the start from the back of the formation, following the start being given according to the starting procedure defined within this Article. Any driver starting from the "Repair Area" will be considered to be on the lead lap, assuming he/she is able to leave the "Repair Area" before the leader crosses the Start/Finish line for the completion of the first racing lap

9c) Should the Driver fail to leave the "Repair Area" to join the track within this time frame, he will only be allowed to attempt a restart within the completion of the second racing lap by the last – positioned Driver, **after which no restart attempt will be allowed**, and the driver will be scored as "DNS". Should the Driver be able to join the track under the provision of this Article, he will be scored as being a lap down on the leader

9d). The provisions of Article 2.19.9 c. of these General Prescriptions are applicable to all phases of the Competition, except for the Final Phase, in which a Driver will not be allowed to restart.

FIA KARTING - Art.2.14 General Safety

Pushers are not allowed to help Drivers once they have crossed the line established at the exit of the “Pre-Grid“. This line is to be drawn at a distance of 15m minimum, from the first position pre-grid start box.

The Official in charge of the “Pre-Grid” may, at any time, intervene to stop a pusher from pushing a kart for safety reasons, such as incoming traffic.” All karts of the “Group 2” and “Group 1” categories, as defined by the CIK-FIA Technical Regulations shall be subject to the following regulation:

- **If the kart is to stop on track for any reason, the Driver shall only have a singular attempt to restart, after which the kart is to be moved in a safe location.**
- In any case, the restart attempt must be done outside of the racing line, and must further respect the following principles:

- **RESTART ATTEMPT ON A STRAIGHT SECTION:** Push restart attempt to be done with the Driver physically positioned to the side of the kart that is **OPPOSITE** to the racing line.

- **RESTART ATTEMPT IN A TURN:** Push restart attempt to be done with the Driver physically positioned to the **LEFT** of the kart, for right-hand turns, and to the **RIGHT** of the kart, for left hand turns.

Failure to comply with this rule will result in a penalty imposed by the Stewards, which may lead to the disqualification from the race where this rule was violated or any other penalties under Article 12.4 of the Code. This penalty is not subject to appeal
