No more than 45 karts will be allowed on the track during these practices.

10- Qualifying Practice

One **6 minutes** session per series is provided for every category.

Drivers who have passed Scrutineering are divided into two series or three, if possible, by drawing lots in the presence of at least one Steward. Each series will comprise a maximum number of **36 Drivers**. During each session, Drivers will take the start when they choose. Any Driver having crossed the line drawn at the exit of the start area will be considered as having started, and his lap time will be taken into account, whatever the circumstances. Any lap fully covered is counted. The time retained is that of the best lap covered during the session. Any ex-aequo will be decided by the **2nd** best time set by each Driver, and so on in the case of further ex-aequo.

The final classification of Qualifying Practice will be drawn up as follows:

- If there is only one series the grid will be drawn up in the order of the fastest time achieved by each Driver.
- If there are two or more series the ranking will be drawn up from the time obtained by every driver inside his series and the drivers will be divided up into different groups according to the placement achieved in the series they belong to and the classification will be determined: **1st** place goes to the fastest time of the **1st** series (fastest time overall), **2nd** place to the fastest time of the **2nd** series, **3rd** place to the **2nd** fastest of the **1st** series, **4th** place to the **2nd** fastest time of the **2nd** series, **5th** place to the **3rd** fastest time of the **1st** series, and so on.

If no time is taken into account for a Driver, he shall take the start at the end of the grid. If several Drivers are in that situation, their starting positions shall be decided by drawing lots. Mechanics are not allowed to help Drivers once they have crossed the line drawn at the exit of the start area. If a Driver stops in the Repairs Area or in the Servicing Park, it will be final. He/she will not be allowed to restart.

11 Qualifying Heats (OKJ – OKNJ Km.16 / OK – KZ2 – KZ2 MASTERS Km.18 / Mini GR3 Km.10)

a) 36 or less Verified Drivers

Drivers will run three Qualifying Heats. The starting grid of the heats is decided out of the official Qualifying Practice.

The following penalties will be assigned according to the arrival order of each heat:

0 for 1st place; 5 for 2nd place; 8 for 3rd place; 9 for 4th place; 10 for 5th place and so on, adding one penalty point for each additional place.

Any Driver who has not covered all the laps scheduled, even if he has not finished the Qualifying Heat, will be classified according to the number of laps he has completed.

If a Driver does not take the start in a Qualifying Heat, he will receive a number of penalties equal to the number of participants **of the heat 1** plus 6.

If a Driver has been black-flagged or excluded, he will receive a number of penalties equal to the number of participants **of the heat 1** plus 7.

Possible ex-aequo between two or several Drivers will be settled according to **the best position of the general classification** in the Qualifying Practice.

At the end of the Qualifying Heats, the 36 classified Drivers will be qualified for the PREFINAL.

The following penalties will be assigned according to the arrival order of each PREFINAL:

0 for 1st place; 5 for 2nd place; 8 for 3rd place; 9 for 4th place; 10 for 5th place and so on, adding one penalty point for each additional place.

If a Driver does not take the start in a PREFINAL, he will receive a number of points equal to the number of participants of PREFINAL plus 6 (PF A+6).

If a Driver has been black-flagged or excluded, he will receive a number of points equal to the number of participants of PREFINAL plus 7 (PF A+7).

Any Driver who has not covered all the laps scheduled, even if he has not finished the PREFINAL, will be classified according to the number of laps he has completed.

At the end of the PREFINAL it will be drawn up a general ranking adding up all the penalties given to every driver in the PREFINAL and qualifying heats, in case of ex-aequo between two or more drivers, the best position in the general classification of the Qualifying Practice will be taken into account.

The first 36 classified Drivers after the general ranking are eligible to go to the FINAL.

b) 37 or more Verified Drivers

After Qualifying Practice, Drivers must be divided in groups (A, B, C, etc.) taking into consideration track capacity and number of participants (the maximum number of Drivers per group is 18). Drivers are assigned a group based on Qualifying Practice: for example, if there are 4 groups the first classified in Qualifying Practice is assigned to group A, the second to group B, the third to group C, the fourth to group D, the fifth to group A, the sixth to group B, the seventh to group C, etc. Each group must compete with all groups, one by one. In case of 4 groups the Qualifying Heats are as follows:

1st - A with B 4th - D with B

2nd - C with D 5th - D with A

3rd - C with B 6th - C with A

The starting grid for each Qualifying Heat is always determined by the rankings of Qualifying Practice.

The following penalties will be assigned according to the arrival order of each heat:

0 for 1st place; 5 for 2nd place; 8 for 3rd place; 9 for 4th place; 10 for 5th place and so on, adding one penalty point for each additional place.

If a Driver does not take the start in a Qualifying Heat, he will receive a number of points equal to the number of participants **of the heat A/B** plus 6 (A-B+6).

If a Driver has been black-flagged or excluded, he will receive a number of points equal to the number of participants **of the heat A/B** plus 7 (A-B+7).

Any Driver who has not covered all the laps scheduled, even if he has not finished the Qualifying Heat, will be classified according to the number of laps he has completed.

At the end of the qualifying heats it will be drawn up a ranking adding up all the penalties given to every driver, in case of ex-aequo between two or more drivers, the best position in the general classification of the Qualifying Practice will be taken into account.

The first 72 qualified drivers after the qualifying heats are eligible to go to the PREFINAL A and B.

The classified drivers will be so distributed, the first classified Driver takes the start into PREFINAL A, the second into PREFINAL B, the third into PREFINAL A, the fourth into PREFINAL B, the fifth into PREFINAL A, the sixth into PREFINAL B, and so on.

The following penalties will be assigned according to the arrival order of each PREFINAL:

0 for 1st place; 5 for 2nd place; 8 for 3rd place; 9 for 4th place; 10 for 5th place and so on, adding one penalty point for each additional place.

If a Driver does not take the start in a PREFINAL, he will receive a number of points equal to the number of participants of PREFINAL A plus 6 (PF A+6).

If a Driver has been black-flagged or excluded, he will receive a number of points equal to the number of participants of PREFINAL A plus 7 (PF A+7).

Any Driver who has not covered all the laps scheduled, even if he has not finished the PREFINAL, will be classified according to the number of laps he has completed.

At the end of the PREFINALS it will be drawn up a general ranking adding up all the penalties given to every driver in the PREFINALS and qualifying heats, in case of ex-aequo between two or more drivers, the best position in the general classification of the Qualifying Practice will be taken into account.

The first 36 classified Drivers after the general ranking are eligible to go to the FINAL.
